## **Little Deer Project Open House and Firewood Strategy Public Meeting**

**Yreka, CA.** –The Goosenest Ranger District of the Klamath National Forest is holding an Open House for the Little Deer project at 5:00 P.M. on December 11, 2014. This Open House will be at the Goosenest Ranger District Office, 37805 Highway 97, Macdoel, California. This Open House kicks off the official 30-Day Comment Period for the Little Deer Environmental Assessment document. In addition, ongoing firewood cutting strategy will be discussed. The Goosenest Ranger District is proposing various restoration activities for the Little Deer Fire including salvage logging for a portion of the fire area. The public is invited to learn about the proposed actions of the Little Deer project, including firewood cutting, planting and logging.

The Firewood Strategy Public Meetings are an ongoing effort of improving firewood access on the Klamath National Forest. Shovel firewood area seasonal closure will also be a discussion topic at this meeting.

Little Deer project information is also available online at <http://www.fs.fed.us/nepa/fs-usda-pop.php/?project=45313>.

Permits and maps for personal firewood cutting are available at the Klamath National Forest Supervisor's office in Yreka, or at any Ranger District Office on the Klamath National Forest.
